Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 20, 29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 20 line 5 “window pane physically secured” is confusing the scope of the claim. The claim is to a framework “for a removable reinforced window system”. The preamble thus sets forth the “window pane” being a subcombination with the “framework”. The claim is thus indefinite as it is unclear whether “window pane” is claimed subject matter.

Claim 29 line 8 “window pane physically secured” has the same issue as set forth above.

The examination of the merits of the claims 1-24, 28-29 filed 2/22/05 are pending per applicant's response to the above 112 issues.
